50) The S.C. reports that Mr. Bryannurthe applied, in the year 1932, for the ~~enclosure~~ inclusion within the limits of Channapattā, an extent of 18 guntas of land out of S. N. 528 of Mangalwarpet. 52) Two questions in connection with the construction of a cinema at Channafatma are dealt with in this file they are as follows:—

(1) grant of permission to Mr. Athapatta to construct the cinema according to a plan approved by Govt (as prepared by the Govt Architect)

(2) the acquisition of certain properties belonging to one Mr. Appayannan - called Abhayakutere - which is situated between the property belong to Mr. Athapatta & the circle at the place

53) In regard to the first point, it is seen that the Govt Architect submitted to the Dewan on 7/8/43 a sketch showing the position (on the site plan) on which the cinema may be constructed. The Dewan was pleased to inspect the site and to approve the suggestion of the Govt Architect, according to which the building should be constructed on the site referred to at the place marked in the sketch, according to a design prepared by the Govt Architect so that a good appearance from all directions is guaranteed Mr.

Reverse of 'J'

18

Attajappa is anxious to have the cinema continued and when he applied to the Govt Architect, he has replied to him to the effect

'W' that it is essential that the site between his property & the circle should be acquired by the Government and that it should be kept

open as a public park & that he would send up

approved plans as soon as the matter is settled. HE Attajappa has no objection that necessary orders may be issued to the Govt Architect

54) Before the ~~above~~ above orders will be

communicated to the officers concerned, a number

of petitions protesting against the acquisition

of my authority's ~~property~~ property have

been received. Hence the issue of orders in

reference to the acquisition of the cinema was stayed

& a report called for from the D.C. in

reference to the acquisition of the land properties

55) The report received is for perusal. It is stated therein that the Dewan

in his reply to Mysore on 20/4/33 issued instructions to have the land & the shed

belonging to my authority acquired so that

the space may be kept clear & that acquisition

proceedings were started & that the estimated

cost of acquisition is Rs 600/- in view of

the present applications, the acquisition

has been held in abeyance. The D.C.

should instruct if the acquisition

proceedings - may be pushed thro' //

56) Points for orders -

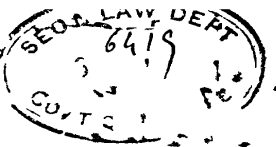

- 1) Whether the Govt Architect may be informed this the Chief Eng^r that his suggestion in regard to the position of the centre of the cinema is approved & that he may prepare a design and tend it to Mr. Athapatta for further action, irrespective of the fact whether the property of Mr. Myanmth is acquired or not

2) Whether the acquisition proceedings in respect of Mr. Myanmth property may be finished then & dropped

- 2
- 57) Mr. Athapatta has prayed that the Govt Architect may be instructed to furnish him with the design for the building of the cinema. Very soon

58) Refer paras 15, 24, 25 & 24 of the notes submitted to

59) No doubt it will give a good facing to the property belonging to Athapatta & it is to be recalled that the fact that Athapatta is a Hindu.

The present construction of the

ugly appearance in a prominent

anxious to put a building for
its work a separate suitable

This can be satisfied as it is going

as such this can be made

GOVERNMENT OF MYSORE

The Director of Town Planning in Mysore

Central Offices, P.W Dept
Bangalore,

Date 26 June 1943.

To

The Secretary to Government,
Law Department,
Bangalore.

Sir

SUBJECT Grant of Permission to Mr S N Appajappa of
Chennapatna for constructing a Cinema theatre 63

With reference to your letter No L 11278/H L 120 - 42 - 19
dated 19th May 1943, to the Deputy Commissioner, Bangalore District,
I have the honor to enclose herewith copies of a letter dated 10.9 1941
from Mr G M. Krumbeigel, Town Planning Expert, to the Private Secretary
to the Dewan and of letter No 117 dated 28th November 1941 from Mr G. H.
Krumbeigel to the Deputy Commissioner, Bangalore District

Both letters state clearly that the site selected by Mr S N.
Appajappa, for his cinema is not suitable and that it lies in the public
interest to keep the area opposite the Police Station free from building
of any kind so that, at a later date, it may be converted into a park
or used for other public purposes

As the reasons given by the Expert are as important now as they
were in 1941, I request you kindly to order the cancellation of the
license for a cinema building in this particular site Mr Appajappa may
be instructed to propose different sites in keeping with the suggestions
made in the enclosed letters

I have the honor to be,
Sir,
Your most obedient servant,

DIRECTOR OF TOWN PLANNING IN MYSORE

SRB Row ,22/24-6

Copy of the above is forwarded, with compliments to -
1 The Deputy Commissioner, Bangalore District, Bangalore
2. The Amildar, President, Town Municipality, Chennapatna.
3. The District Superintendent of Police, Bangalore District

Letter dated 10th September 1941 from Mr G H Krumbeigel, Town Planning Expert, to the Private Secretary to the Dewan of Mysore.

I have your D.O No 433 dated 8th inst, with enclosures. I am of decided opinion that it would be a grave mistake to erect a cinema building on this place. This junction of the two main roads will become in the near future the centre of the new town and, the triangular plot should be kept as an open space with the surroundings carefully planned, otherwise the New town will become a mere bazaar street.

Therefore a cinema building is not suitable for this place because (i) it would interfere with the future lay-out of the place (ii) it would seriously and detrimentally interfere with the view of the new Police Building. But even apart from this the site is also not suitable for the Cinema because (iii) it is open on all four sides to main roads and such architectural treatment would have to be insisted upon as would entirely rule it out as a remunerative concern.

I am leaving for Mysore on Monday the 15th inst, and if you will kindly ask Mr Deshadri to instruct the local officers to meet me at the new Police office at 9 A.M., I can discuss an alternative site and any other questions pending with them. I am returning to you the three enclosures keeping only the plan.

Letter dated 28th November 1941 from the Town Planning Expert, to the Deputy Commissioner, Bangalore District, Bangalore

I have your D.O Letter No CC 46/41-42 with the fresh survey plan re site for Mr Appajappa's cinema. From the fact that (1) the upper corner of the triangle cannot be appropriated as it is temple land (2) that the large building as the Cinema still protrudes considerably into the triangular plot on the site of the two dilapidated houses and (3) must come on this site a cinema has been seriously objected to on account of its close proximity to the Hospital. I told that the cinema cannot be erected on this triangular bit and the original decision to keep this triangle as an open space must be adhered to.

I am therefore sending a copy of the town map and have thereon marked three sites

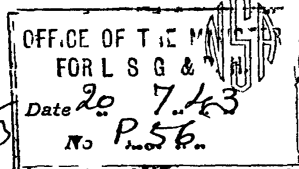

1. is near the new Police Building and if this site is deep enough to put the building well back from the road it may be considered
2. I think is still an open land and would be a very suitable site,
3. is rather less central but still not too far out and as the building is to be architectural a good one this site would be given

The Minister of The Government of His Highness the Maharaja
of Mysore, (Local-Self Government),
B A N G A L O R E

Sir,

Re - Grant of permission for constructing a Cinema
Theatre at Channapatna.

I beg to state that I was in due receipt of a true copy
of letter No., L.11278/H1 120-42-192 dated 19-5-43 from the
Secretary to the Government Law Department, Bangalore to the
Deputy Commissioner, Bangalore District regarding the grant of
permission to me to construct the Cinema Theatre on my own land
(S No.548 marked X in the town map) at Channapatna subject
to the condition that I give a high a basement to the building
and that I build according to the plan approved by the Government
Architect and I take the privilege of expressing my most grateful
thanks for your kindness

I had also received on 2-6-43 a municipal license from the
Amildar President, Channapatna, to construct the building within
one year from that date. On the strength of the license I have
entered into several commitments as for work with the contractors

In obedience to the said direction given in the above
communication, I had submitted sets of plans for the proposed
construction to the Government Architect in Mysore on the 14th of
June 1943 which had actually been prepared in 1939 by the then
Government Architect I had also been asked by the Architect in
in person to submit a site plan in addition, for his information
and scrutiny to ascertain what was the extent of the site and the
location of the lay out of the building, though I was promised by
the said officer that the matter would be disposed off before the
end of June to enable me to start work immediately I very much

regret to state that I have not had the good fortune to get the approval of the plans so far.

In this connection I beg to submit that for the last two¹ years I have suffered considerable loss by keeping the site vacant inspite of the fact that I had collected materials already which are deteriorating, paid advances to contractors for further supply of materials etc , and the present prices have been abnormally going up, so that the longer the delay the greater the loss I would be increasing

I sent my submission again on the 1st instant just reminding the Government Architect of the above facts thinking that amidst his heavy official duties this might have escaped his notice I have not been favoured with his reply yet.

I beg therefore to humbly approach you with my respectful request that you may be pleased to direct the Government Architect to be so good as to give his early attention to this matter so that I may be enabled to get on with my work very soon

Begging to be excused for the liberty taken.

Channapatna. 1

CANCELLATION OF THE GRANT OF PERMISSION TO Mr. M.S. APPAJAPPA
FOR CONSTRUCTING A CINEMA THEATRE AT CHANNARAPAT A.

Sir,

With reference to your letter No. 25177 dated the 24th June 1943 on the above subject, I am directed to state that Government do not see any need to cancel the orders already passed by them in the matter. Before the cinema theatre is allowed to be constructed, it is, however, necessary to see that the plan is prepared that the building faces the main roads and no out-houses, latrines etc., face the latter and that the building adds to the aesthetic effect of the surrounding area. The Government Architect may accordingly be instructed to bear the above facts in mind while scrutinizing and approving the plan of the said building and see that the building really adds to the beauty of the locality.

Dear sir,

I venture to write to you on behalf of a well-known citizen of Channarayana, and a neighbour of ours for many years, Mr M Aryamurthy, whose house and property are marked for acquisition. Mr M Aryamurthy acquired this property some twelve years ago, and has spent much money on it, with a view its being not only the centre of their family life as it is, but also a centre for social work. Mr M. Aryamurthy is a public-spirited man and he is a Secretary of Local Adikarnataka Association and its Hostel, besides he is much interested in Village Education, Adult Literacy, Temperance and ~~other~~ similar work his wife is the Secretary of the Women's Samaj here, and his son is following in his footsteps.

The house and property, which has a large place in the affections of the whole family, is on the Mysore high-road, and is thus admirably situated as a centre for social work. For some time Mr M Aryamurthy has been trying to secure a license to erect a public building, which could be used for a free library and for meetings. The late Dewan, Sir Mirza Ismail, visited the place, and gave instructions to the Amildar and Municipality that Mr M

~~Shri~~ Mr. Arumurthy should be left in possession of the
property. This is the place where our beloved late Maharaja and
Maharani were honoured with garlands under a special
arrangement. The citizens of Bangalore showed their loyalty
and we hope that this policy may be continued, as none of
us can deny that Mr. Arumurthy is of great value to this town
and for that reason I am making this appeal which I hope will meet with
favourable consideration.

Dear Mr. Narasimha Moorthy,

I understand from the Executive Engineer, Bangalore Division that the Dewan Sahab enquired about the proposal for a Cinema at Chennapatna while passing through the town.

2. I therefore enclose herewith two site plans one of them showing the applicant's proposal and the other the - - revised situation of the building recommended by me.

3. For your information I am adding a few points regarding the history of the scheme

- (1) An application for the construction of a cinema in the site marked red in my plans has been before - - Government already in 1941 This was refused - - following two letters from Mr. G.H. Krumbiegal to the Private Secretary to Dewan dated 10-9-1941 and 28-11-1941 respectively wherein he points out that it would be preferable to keep the triangle near the police station free for a park or for other Government buildings.
- (2) Meanwhile another cinema has been constructed in this neighbourhood in one of the sites recommended by Mr G.H Krumbiegal behind the Police Station. I understand that this was recently closed for some time due to fire
- (3) In Government Order No. L. 11278/M1-120-42-192 dated 19-5-'43 Government have sanctioned a cinema on this site subject to the condition that he (the applicant) gives a high basement to the building and that he builds it according to the plan approved by the Government Architect.
- (4) With reference to the above order and after receiving oral approval of the Minister for Local Self Government and the Chief Engineer, I propose to specify that the building should be constructed in the - -

(2)

the position shown in No. 2 of the enclosed site plans and after a design prepared in this office in such a manner that a good appearance from all directions is guaranteed.

4. I suggest that you may kindly submit this information together with the plans to the Dewan Sahib for favour of - - perusal when he passes through Chennapatna tomorrow.

Yours sincerely,

order that the same may not be acquired, but I may be permitted to construct a pucca building. As per his instruction, I have remitted the special conversion fine of Rs 195-6-2 and applied to the Municipality for license to construct a building, to the plan. The building could not be put up as the license is not granted so far.

I hear that the acquisition question is again been taken up. The site is absolutely of no use for any public purpose. On the other hand, if I am permitted to construct a pucca building with cement and mortar for 'Arya Kuteba' which is a social centre, and a place of public activities, the locality will be very much improved. I intend giving a good frontage to the building so that it may give a fine appearance to the circle and the road.

Wherefore I humbly pray that I may be permitted to raise the building at an early date. Thank you, Sir, much for the same, and pray along with my wife and children, for your long life and prosperity,

To

PRADHANASIROMANI N Madhava Rao, 414

Dewan of Mysore, BANGALORE

Most Respected Sir,

I was very much surprised to learn from -
“DAILY NEWS” Janavani of the 14th instant that
the Abhayakuteer is going to be acquired by -
Government to facilitate an individual gentleman
who intends to construct a Cinema building at
Channapatna. It is really a very strange and
astonishing idea of the Government to acquire
the premises of Abhayakuteera after its 12 years
of growth in the field of Social activities such
as starting Schools for Depressed Class people,
settling up their communal quarrels etc

Abhaya Kuteer is a reknowned Ashrama at -
Channapatna where Mahatma Gandhiji camped with
his party when he had paid a visit to Mysore State
as a Government guest on his Harijan tour. After
Mahatmaji's visit, this place became a Hindu “
~~Sentimental~~” Sentimental place. Mr Aryamurthy,
the owner of the Abhaya Kuteer, is an earnest and
social worker for many years. He is not only work-
ing in the Mysore State but also outside the Mysore
State in this social field.

I therefore most earnestly urge and request

The Dewan of Mysore,
Bangalore.

Sir,

We beg to approach you with an important subject like that of a Cinema Hall in Channapatna town and we request you to kindly give us a patient hearing and consider our representations also in deciding the question.

2. The Cinema Hall now proposed by Mr. N.S.Appajappa on a site near Annegowda Circle was in 1939 proposed by Mr. C.N.Ramachandra Rao to be built on the same site and on the same place. The then Dewan encouraged him even onto collection of materials and after his inspection of the site the Deputy Commissioner gave him an endorsement that he cannot be permitted. (Copy enclosed)

3. Thereafter an order was issued in the shape of Dewan's tour notes that the whole/triangular bit of land need be kept vacant. This was further confirmed by a similar note on 26-5-39.

4. In 1942 Mr. N.S. Appajiappa began the same proposal as that of Mr. C.N. Ramachandra Rao said above.

5. Mr Crumbegal inspected the spot and declared the spot unfit for a cinema hall and recommended three sites for Cinema Halls in Channapatna Town.

- (a) The site by the side of the Police Buildings.
(b) The site behind Railway Goods Shed.
(c) The site by the side of the deviation Road
near Shahi Circle

6. Mr. N.S Appajappa tried for the 1st site as said above and could not get it as the Police Offices required expansion.

P T.O

[illegible]

4210374

7. He could have tried for the other¹ two sites and there~~was~~ no difficulty re-either of these two.

8. What was so persistently refused to one, when no condemnation of the sites existed is now easily granted to another in the face of condemnation by an experienced consulting Architect, Mr. Crumbegal and the repeated orders of ~~the~~ Dewan

9. The subject did not stop there. We hear that the Cinema Building is proposed to be located facing the Mysore Road and for that purpose the site of oneth Arya Murty is proposed to be acquired.

10. Mr. Aryamurty is striving hard for the last 10 years to build a decent house in that site. He is even now~~doing~~ a number of Social items of work, ~~such as~~ Harijan, Seva Sangh, Huminitarian League, Home Education, Hindipracher etc.

11. It is necessary that the Government should encourage such people to have a house in a Central place to facilitate his social work. He wants to maintain there a place for canteen to Industrial School boys.

12. There is absolutely no need to discourage such an important work to help a private man to build a Cinema Hall which will be profitable only to the owner and neither the Government nor the people get~~be~~ benefitted by a single pie.

13. Compulsory acquisition can be for Government, Municipal or Public purposes but this is a case of a private individual's profit and is no body else's interest. There is no need for compelling an individual~~to~~ lose his house for the profit of another private individual.

449

14. Mr. Arya Murty has collected materials for constructing a decent house. If permission is given, he will build it in an architectural way

15. In view of all the above said things, we pray that Mr. Arya-Murty's site may not be acquired and he may be enable kindly permitted to have a building of his own to ~~make~~ him to pursue his social activities that are helpful for thousands of people.

To

Dewan of Mysore,
BANGALORE

Respected Sir,

I the undersigned on behalf of the above Samaj as a Vice-President request you earnestly to kindly consider very deeply and sympathetically about the acquisition of Abhayakuteer and its premises at Channapatna to facilitate for a Cinema hall (in my opinion which sucks the blood of the poor and enriches an individual owner, whereas the owner of Abhayakuteer has contributed his services in several directions by following in such as, civic and social associations' objects, starting free schools, associations, deopressed class missions, prevention of cruelty to animals even outside the State, which may kindly be ascertained and come to know in detail all about the services done by Mr Aryamurthy and his relations)

In view of the above facts I once again sincerely request you Sir, not to acquire the Abhayakuteer and to kindly put a stop to the license for the Cinema hall in the midst of Bethani Ashrama, Theosophical Lodge, Hindi Pracharak Sabha, National School and other dwelling houses already constructed and to be constructed in that locality

The objects of Abhayakuteer are always to do good to the public and the rural well-fare works Mr. Aryamurthy is intending to construct a decent upstairs building with free library for public use

Thanking you in anticipation of your kindness,

The Minister of the Government of
His Highness the Maharaja of Mysore,

Respected Sir,

Re. The construction of a Cinema in Chennapatna

25 12 43

I beg most respectfully to bring the following few facts
before your kind and esteemed consideration and humbly pray that
immediate action may be ordered to be taken, in the matter which
has long been pending

I beg to submit that I received a true copy of the
communication from the Secretary to Government Law Department,
Bangalore, to the Deputy Commissioner Bangalore District, letter
No. L 11278/H 1 120-42-192 dated 19-5-43, granting permission to me
to construct the Cinema theatre on my own land (marked X in the
Town Map) at Chennapatna, subject only to two conditions viz ,
(1) that I should give a high basement to the building and (2)
that I should build according to the plan approved by the Govt
Architect

I had also received on 2-6-43 a Municipal License from
the Amildar, President Chennapatna, permitting me to construct
the building within one year from that date which expires on
2-6-1944

I beg to state the permission above referred to for
constructing the Cinema was granted to me after your inspection of
the site a few days prior to the said grant of permission

The Government Architect in Mysore accordingly prepared a
plan proposing certain alterations to the site plan I had submitted
which is marked Proposal No 2 with a covering letter dated the
27th August 1943 stating " I herewith enclose an approved site
plan of your Cinema theatre for your information "

Govt. Architect (Mysore),

Sir,

Re The construction of a Cinema in Chennapatna

I beg to state that as I had already submitted I had obtained the orders of the Government so long ago as the 19th of May 1943 sanctioning the construction of my Cinema on my Site at Chennapatna for which the Municipal Order permitting me to build the same was received on 2-6-1943 which is in force for a year from that date.

After the receipt of the said Government Order and the Municipal Sanction for the construction of the Cinema proposed by me to be built, I had not only sent to you a site plan on 27-8-1943, but also had already sent a detailed plan as per the direction of the former Dewan prepared in your Office in 1939 for your approval in August last and you were pleased to modify it and send me a revised site plan on 27-8-43 with your covering letter of even date No.376, stating that the detailed plans for construction were under preparation and would be sent to me, and which I have not received so far though it is over 3 months. I had visited you in person in or about the middle of October last to remind you of it, when you were so kind as to promise me that they would be sent to me the latest by the first week of this month, as the delay was due to the unavoidable absence of the Gentleman who was entrusted with the preparation of them.

P.T.O.

15th November

page 2.

As it is now the middle of the month of November and they have not been received so far, I beg to most respectfully request you to be so good as to order that they may be despatched to me without further delay.

Before the site plan was received, the Honrable the Dewan of Mysore was graciously pleased to inspect the site and ordered the Amildar of the place to acquire the site adjacent to mine belonging to one Aryamuthy by the Govt, for being converted into a park so that the theatre proposed by me to be built should face the said park. Acquisition proceedings of Aryamuthy's land have been started and the file is now with the Land-Acquisition-Officer at Chennapatna (Sub-Division Officer at Closepet).

I beg to bring to your kind notice that I had already undergone an expense of Rs.13500/- so far for the construction of the proposed theatre being the value of the building materials collected so far including the price of the site, compound wall etc, have at present about 15,000 size stones, 2 laks of bricks and 500 rupee worth of store slabs etc, I have immediately to advance a further sum of Rs.4000/- for materials, as prices are going up heavily every day and the supplier will not supply without advance as on agreement. In fact I intended to complete the foundation of the building before the monsoons started but owing to the delay in receiving the detailed plans for the construction, I was prevented from doing it so far.

I therefore beg that you will be pleased to take all the above facts into your kind consideration

and send me the detailed plans at your earliest convenience atleast not later than a week from this date as otherwise I shall be put to an enormous loss by any more delay.

I should have sent the detailed plans myself for your kind approval or for such alterations as you might have deemed necessary but since you stated that they were under preparation by the department itself, I could not do it.

In conclusion therefore I most respectfully request, you, Sir, to be so good as to give this matter your kind attention forthwith and oblige me with the detailed plans at once, so that I may start the construction work without any further delay, as it entails a considerable loss to me as represented above.

Begging to be excused for the trouble and thanking you for your immediate compliance of my prayer.

I beg to remain,

Sub - Acquisition of construction called
'ABHAYAKUTIRRA' in Channapatna

With reference to your letter No L.2144/ML.120 42.

222 dated 18th August 1943 asking for a report on the petition from ^{Mr} Aryamurthy of Channapatna on the above subject, I have the honor to state that from the records and report received from the Sub Division Officer, Channapatna, with his No C.12/43 44 dated 6th December 1943, it is seen that the said Aryamurthy applied to the Amildar President of Channapatna Municipality on 11-5-32 for the inclusion within the Municipal Limits of an extent of 18 guntas of land out of S.No.528 of Manalwarpet, Channapatna said to have been purchased by him from one Beariah, son of Siniah and for its conversion for building purposes. This was sanctioned by this office on a recommendation made by the Sub Division Officer subject to the payment of a conversion fine at Rs 400/- per acre. Before any permission was accorded for the construction, the party appears to have constructed a shed on the site. During the visit of the Dewan in June 1939 on his way to Mysore, instructions were issued that ugly houses in front of the Industrial School should be removed and the site kept clean. The Amildar took action to remove the unauthorised construction ~~in the meantime a representation~~ In the meantime a representation was made to the then Dewan by the members of the Hindi Prachar Sabha, Channapatna praying that Mr Aryamurthy might be allowed to continue in possession of the place, ^{erecting} ~~erecting~~ a bucca building thereon instead of the present hut. This representation was forwarded to this office by the Private Secretary to the Dewan.

on 4th May 1940 for consideration. The Deputy Commissioner
Mr. Abdul Aziz Khan, passed orders directing that the eviction
proceedings started against Mr. Ary-murthy be stayed and that he
be ordered to remove the huts and erect a pucca building on the
site within a reasonable time.

Q
R
Eviction was also accorded to alienate the land
in Revenue Commissioner's Memo No.D.L.Dis 700/41-42 dated 24th
October 1941 on a recommendation made by this office. It is seen
from the records that the party has put up a compound wall and a
shed on the land even without permission from the Municipality.
It is reported that the Dewan on his way to Mysore on 20-7-43
issued instructions to have the land and the shed acquired, so
that the space may be kept clean. Acquisition proceedings were
therefore started. The estimated cost of the acquisition is, as
stated by the Sub Division Officer about Rs.600/- In the meantime
Mr. Ary-murthy has approached Government protesting against the
acquisition. The members of the Hindi Prachar Sabha have also
preferred several objection petitions against the acquisition
of the property. As desired in your letter under advertence further
action in the matter of acquisition has been held in abeyance.

In these circumstances, I solicit kind instructions
about pushing up the acquisition proceedings or otherwise. The
connected file of vernacular records ending with the Sub Division
Officer's report dated 6.12.43 is herein enclosed for favour of
reference.

Subject - Acquisition of land out of S No 528/1 (Abhayakuteer of Mangalwarpet, Chennapatna Taluk for widening the deviation Road

With reference to memo No A 5 1082/43 dated 27-8-43 in the matter of the acquisition of the land and house called "Abhayakuteer" at Chennapatna for widening the deviation road, I have the honour to state that the Dewan observed on 20-7-43 that this land and building should be ~~widened~~ acquired and the road widened Accordingly orders were issued to the Amildar to take immediate action to submit acquisition records

On a perusal of the records it is seen that one Mr Arya-murthi applied to the Amildar and President Chennapatna Municipality on 11-5-32 stating that he has purchased 0-18 Guntas of land out of S.No 528 ~~mea~~ from Beeraiah s/o Lingaiah and that the land may be included in Municipal Limits and permission granted to construct an out house and a compound wall (Flag A). On a recommendation submitted to the Deputy Commissioner (Flag B) by the Sub Division Officer on 6-12-34 for the levy of conversion fine at Rs 100/- per acre, the Deputy Commissioner was pleased to order the levy at Rs.400/- per acre in his memo No Aln 25/34-35 dated 12-1-35 (Flag C) Before any permission was granted for the construction, he constructed a shed. During the visit of the Dewan in June 39 on his way to Mysore, - instructions were issued that ugly houses in front of the Industrial School (in the triangular bit near Annegowda's circle) should be

removed and the site kept clean (Flag D.)

As per the instructions the Amildar took action on a Taharar ~~takta~~ to remove the unauthorised construction. After some prolonged correspondence, the then Sub Division Officer sought instructions of the Deputy Commissioner regarding the removal of unauthorised ^{construction} ~~construction~~ on 30-4-40 and orders were received that the party may be asked to remove huts and erect a pucca building (vide Memo No.C.1 Dis.4248/39-40 dated 21-5-40 (Flag E).

When the Eviction orders were served on the party, objection petitions were presented to the Dewan and they have been forwarded to the Deputy Commissioner, for disposal (Flags F&G).

In the meanwhile sanction was accorded to alienate the land in Memo No D 1.D's 700/41-42 dated 24-10-41 ^{from the Revenue Officer in the} and communicated in Deputy Commissioner's No. 55/41-42 dated 12-11-41 (Flag H) A compound wall and a shed have been put up on the land without permission from the Municipality also as seen from the records. No further action appears to have been taken so far. In the meanwhile the Dewan on his way to Mysore on 20-7-43 issued instructions to get the land and the shed acquired and keep it clear. Hence acquisition proceedings have been started. The estimated cost of acquisition will be about Rs 600/- Objection petitions received protesting the acquisition of the property are submitted for kind reference ---

The acquisition of this land has no connection whatsoever with the grant of a license to Mr Appajappa for the construction of a Cinema Theatre

The entire records are submitted for kind reference.

1. More than once, a Dewan of Mysore State ordered that theatre should not be built there.
2. A District Magistrate ordered denying license for building Cinema Theatre on that land.
3. A consulting architect deputed by Govt. of Mysore, for opinion, condemned the site for a Cinema Theatre.
4. The Govt. gave Mr. Appajappa, another site (one of the three sites suggested by the Consulting architect.) and withdrew it as it was subsequently found to be necessary for police buildings.

5. The Govt. at this stage went back and directed, issue of license to Mr.N.S.Appajappa, to build a Cinema hall on his site so long prohibited.

When was this done? I thought the matter was still under consideration

Alienation of land in survey No 528/1 - Mangalvarpet - Channapatna Kasaba - Requests sanction of the -

I have the honour to state that the conversion of an extent of 26 guntas of land out of survey No 528/1, Mangalvarpet, Channapatna Kasaba, was sanctioned by the Sub Division Officer, Closepet, in 1940-41, levying a conversion fine at Rs 400/- per acre, for the erection of a Cinema Theatre thereon by one Mr Appajappa. The construction of the - Cinema Theatre in question has been approved by Government in letter No L 11272/M1 12-42-192 dated 19-5-1943 from the Secretary, Law Department, (copy enclosed for favour of - perusal)

2 The Sub Division Officer, Closepet, reports that the conversion fine on the land referred to above was recovered and credited to the Taluk Treasury, Channapatna, on 9-6-1941

3 Alienation statements are therefore submitted herewith, with the request that the alienation of the land - - referred to above may kindly be sanctioned, the proportionate assessment of Re 0-10-0 thereon being ordered to be written off the accounts

The file of ~~xxx~~ connected records ending with memo No A3 356/43-44 dated 23-8-1943 from the Sub Division Officer, Closepet, accompanies for favour of reference and return.

In returning herewith the records received with the correspondence ending with your letter No I o 92-13/42-43 ~~xx~~ dated 18th April 1943 on the above subject, I am directed to state that Mr Appajappa may be allowed to construct the Cinema Theatre on his own land survey No 548/1 marked ~~xx~~ X in the Map subject to the ~~xx~~ condition that he gives a high basement on the building and that he builds it according to the plan approved by the Government Architect

Alienation of land in survey No 528/1 - Mangalvarpet - Channapatna Taluk -

With reference to the correspondence ending with your docket No CI 3543/43-44 dated 29-1-1943, calling for a - - further report on the above subject, I have the honour to -- state that the Amildar, Channapatna Taluk, reports that it is seen from the records that the correspondence relates only to the alienation of the land in survey No 528/- and not in 548/1, Mangalvarpet, from the beginning. He further reports that there is no survey No 548/1 in the village at all. From this office letter No M6 92-13/42-43 dated 19-3-1943 addressed to the Secretary to Government, Law Department, (Vide Page 30 in the records enclosed herewith) it is seen that it was only in respect of the land in survey No 528/1, that the recommendation was made. It would therefore appear that the survey number of the land shown as 548/1 might be due to a typing or -- clerical error.

2 With regard to the petition of Mr Thimmiah referred to in your docket in question, it is seen from the detailed -- report of the Sub Division Officer, Closepet, dated 25-6-1941 (Vide Page 19 in the records submitted herewith), that Mr Thirmalya and others who were petitioning against the grant of the permission to the construction of the Cinema Theatre on the land in survey No 528/1 were persons either interested in other Cinema or in the adjoining site.

3 Since the records relate only to survey No 528/1 and not to 548/1, Mangalavarpet, I request that sanction may kindly be accorded to the alienation of the land in question as recommended in this office letter of even number dated -- 4-9-1943.

4 The entire file of vernacular records received with memo No Aln 16/43-44 dated 17-11-1944 from the Amildar, Channapatna, accompanies for favour of reference and return.
